IMPORTANT INFORMATION:

- Garden plots are 20 feet x 30 feet.
- Walkways are 10 feet wide and will be kept mowed. Please keep vining plants out of walkways.
- Only annuals should be planted.
- Water must be carried from the spigot in buckets or use of wagons and carts is allowed.
NO HOSES!
- Parking is available along 127 St. East.
- Plots must be kept free of weeds. Plots overgrown with weeds will be mowed at the discretion of the Parks Department. Gardener will be notified prior to mowing.
- All produce should be harvested and items such as plant stakes, tomato supports, or plastic mulch removed by October 29.
- Plot area will be plowed under in early November.
