

# CONSTRUCTION UPDATE

## County Road 42

November 24, 2008

Thank you for your patience while we make important improvements to increase safety and improve traffic flow on County Road 42.

### WHAT'S BEING DONE?

County Road 42 is expanding from a four-lane highway to a six-lane highway. The expansion will occur from Joppa Avenue/Glendale Road in Savage to just east of County Road 5 in Burnsville.

### WHEN WILL WORK TAKE PLACE?

The majority of the construction work was completed in 2008. However, there is still some work to do in the spring. Construction is expected to resume in **April 2009 and will take approximately two months to complete.**

### WHAT SHOULD I EXPECT?

All six lanes of traffic are open and the speed limit is back to 50 mph for the winter months. The sidewalks will remain closed until work can be completed in the spring.

Access to residences and businesses will remain open throughout construction.

### FOR MORE INFORMATION

- Visit [www.dakotacounty.us](http://www.dakotacounty.us) search *Road Construction*
- Construction updates will be delivered periodically to residents and businesses during construction.
