

# CONSTRUCTION UPDATE

## County Road 70

May 29, 2009

Thank you for your patience while we make important improvements to increase safety and improve traffic flow at the County Road 70/I-35 interchange.

### WHAT'S BEING DONE?

The existing detour for County Road 70 will remain unchanged. However, southbound Interstate 35 will be closed from County Road 60/185<sup>th</sup> St to County Road 70 for one night to place the beams on the west half of the bridge over I-35. This work will require a detour for I-35 traffic travelling southbound.

### WHEN WILL WORK TAKE PLACE?

This work is scheduled to begin Thursday evening on June 4. Southbound I-35 traffic will be reduced to one lane at 7:00 PM to begin setting up. At 9:00 PM, both southbound lanes on I-35 will close until 7:00 AM on Friday, June 5.

The northbound I-35 exit ramp at County Road 60/185<sup>th</sup> Street (Exit 85) will also be closed from 9:00 PM on Thursday until 7:00 AM on Friday.

### WHAT SHOULD I EXPECT?

Southbound I-35 traffic will exit at County Road 60/185<sup>th</sup> Street and follow the posted detour from 9:00 PM on Thursday, June 4 until 7:00 AM on Friday, June 5. Please see the back of this sheet for the detour route. The detour for County Road 70 is not changed by this work. However, delays are anticipated at various intersections along the detour route for southbound I-35.

Northbound I-35 traffic wanting to exit at County Road 60/185<sup>th</sup> Street during the closure will be routed to the County Road 50 exit approximately one mile north.

Access to residences and businesses will remain open throughout construction. Trucks requiring access onto County Road 70 from I-35 should continue to follow the posted truck detour.
