

DAKOTA COUNTY
Well Sealing Grant Agreement

Grant Agreement No.: _____

Please complete the following information.

Grantee Name: _____

Address: _____

City: _____ State: MN Zip: _____

Phone No. (home): _____ (work): _____

This Agreement, between the County of Dakota ("the County") and _____
(your name)

("Grantee"), shall embody all terms of the agreement between them under which the County shall provide a grant to Grantee to seal an unused well on the following real property located in Dakota County at:

_____ agrees as follows.
(your address)

1. Grantee has obtained two (2) or more bids from licensed well drilling contractors to perform all work required to properly seal the abandoned well referenced herein.
2. The County, through this grant program, will pay 50% of the well sealing cost, up to a maximum payment of \$2,000.00.
3. The cost of any work performed by the Contractor not covered by this Grant shall be the sole responsibility of the Grantee.
4. Grantee, its heirs, successors, agents and assigns agree to indemnify and hold the County harmless for any claim, damages or causes of action arising under the performance of this Agreement by the Grantee or Grantee's contractor, agents or employees.
5. All well sealing shall be done in accordance with Minnesota Statutes Section 1031 (1990); Minnesota Rules, Chapter 4725; Dakota County Ordinance 114; and all other applicable statutes, rules, and ordinances related to the sealing of abandoned wells.
6. The Grantee must pay the Contractor in full. The Contractor shall file a copy of the abandoned well record with the Minnesota Department of Health and Dakota County Water Resources Department. The County will then reimburse the Grantee.
7. This Agreement is effective from the date of the execution and shall remain in effect until terminated by either party for any reasonable cause upon seven (7) days written notice. A deadline extension may be granted for a short time period with good reason as determined by the County.
