County Highways
 County Highways are numbered in a sequence according to their location in the County. Even numbered County Highways run east-west, beginning with #2 on the north and proceeding to #96 on the south. Odd numbered County Highways run generally north-south beginning with #1 on the west proceeding to #91 on the east.

Dakota County Uniform Street Naming and House Numbering System
 This system is used in all townships and in the cities of Apple Valley, Coates, Farmington, Inver Grove Heights, Lakewood, Mendota, Rosemount, New Trier and Randolph. East-west streets are given numerical names, and north-south streets are named after persons, places, or things. The Division Line marks the alphabetical starting point for names of north-south streets. It also marks the starting point for building numbers on east-west streets.
