County Highways
County Highways are numbered in a sequence according to their location in the County. Even numbered County Highways run east-west, beginning with #4 on the north and proceeding to #96 on the south. Odd numbered County Highways run generally north-south beginning with #5 on the west proceeding to #93 on the east.

Work Within County Right of Way
A permit is necessary for any work being done adjacent to a county roadway or within Dakota County right of way. Permit applications may be obtained from the Transportation Department website or 952-891-7100.

Signing Policy
No privately owned signs are allowed along County Road property per MN Statute #160.27.5 and Dakota County Signing Policy #252. Copies of the County's policy may be obtained from the Transportation Department website or by calling 952-891-7100.

Dakota County Uniform Street Naming and House Numbering System
This system is used in all townships and in the cities of Apple Valley, Coates, Farmington, Inver Grove Heights, Lakeville, Miesville, New Trier, Randolph and Rosemount. East-west streets are given numerical names and north-south streets are named after persons, places or things. The Division Line marks the alphabetical starting point for names of north-south streets. It also marks the starting point for building numbers on east-west streets.
