Your Proposed Tax Notice Explained

Property Identification: A unique number assigned to each property within the county.

Taxpayer(s): Name and mailing address.

Property Address: Location of real estate property by law.

Property Description: The legal description of the property that is legally binding.

Estimated Market Value: County assessor's estimate of what the property would sell for in an open market transaction.

Homestead Exclusion: A reduction of Estimated Market Value (EMV) up to \$30,400 for homestead properties. The exclusion value begins to phase out at a rate of 9% of your EMV above \$76,000 until phasing out completely at an EMV of \$413,800. For a homestead valued at \$413,800 or more, there is no valuation exclusion.

Other Exclusions/Deferrals: includes plat law, this old house, this old business, homestead property damaged by mold, lead paint valuation reduction, disabled veterans, and elderly living facility.

Taxable Market Value: The amount of value that is used to calculate property tax. This amount could differ from the estimated market value depending on property classification.

Proposed Tax: Estimate for next year's property tax. Proposed tax does not include special assessments and it is not a bill to pay, only an estimate.

Credits: Properties classified as 2a, 2b, and 2c, other than house, garage, and surrounding one acre of an agricultural homestead are eligible for Agricultural Preserve Credits, Agricultural Market Value Credits, Powerline Credit and School Building Bond Agricultural Credits.

Contact and Meeting Information: Displays contact information, dates, times and location for taxing district's budget meetings. The meetings provide taxpayers an opportunity to ask questions and voice concerns before final budgets and levies are approved.

State General Tax: Only collected on commercial, industrial and seasonal properties. Residential property is excluded from State General Tax.

Dakota County Tax: Collected to provide and manage local government services. Local government services include social services, public health, roads and highway, libraries, corrections, sheriff, and environmental services.

City or Township Tax: Collected to manage police & fire, parks & recreation, libraries, building safety and road & bridge.

School Districts Voter Approved Levies and Other Local Levies Tax: Collected to support K-12 education and community education. Voter Approved Levies are levies and debt obligation approved by the voters in the school district. Other Local Levies includes school levies for community services and debt obligations.

Metro Special Taxing Districts: Tax in the metro area to manage transit services, regional parks, affordable housing, sewer system, and mosquito control (public health).

Other Special Taxing Districts: Only collected if you are within the special taxing district. The taxes that are levied support the Community Development Agency, Housing and Redevelopment Authorities, Watershed Districts, Economic Development Area and South Metro Emergency Medical Service.

Tax Increment Tax: A financing tool that is used to support economic development, infrastructure, renewal and renovation, housing and other community improvement projects. Property tax is collected on properties located within the tax increment project area only.

Fiscal Disparity Tax: Only collected on commercial, industrial and commercial seasonal properties. Fiscal Disparity tax is sharing the taxes on a portion of commercial-industrial value growth throughout metro taxing districts.

Percentage Tax Change: Determining a tax increase or decrease between the current year and proposed taxes for the following year.
