

Label and Educational Resource Order Form: Labels, Posters, and Activity Guides

Labels and educational print materials (e.g., posters, activity guides) are available to all schools in Dakota County. There is no cost.

- ✓ Posters - laminated or non-laminated. Size: 18" x 24"
- ✓ Activity guides and teacher keys for students in grades K-2, 3-5, and 6-8. Size: 9" x 12"
- ✓ Container labels* are durable, self-adhesive. Available in the following sizes:
 - 3" x 3" – for lids.
 - 3" x 12" – for bottle-shaped containers.
 - 5" x 14" – for the narrow side of containers.
 - 8.5" x 11" – for the wider side of containers, or to post on walls above containers at eye-level.
 - 17" x 11" – for dumpsters.

**Best practices require that you pair all recycling and trash containers. Order enough to ensure that labels are on all visible sides of a container to get the most out of your recycling program ([Best Practices: School Set-up and Placement Guide](#)).*

INSTRUCTIONS

To order, simply fill out this form with the quantities needed and email your completed form to schoolrecycling@co.dakota.mn.us. The County is responsible for the delivery of these labels and educational materials. Contact 952-891-7557 and ask for the school recycling program coordinator with questions.
