- Free to borrow
- Contactless online reservation system

The screenshot shows the Dakota County Environmental Resources website. At the top, there is a red banner with the "Dakota" logo. Below the banner, the navigation path is "Dakota County / Dakota County Environmental Resources / Equipment Catalog". The main content area features a search bar with "WSC Event and Educational Resources Rental" selected in the location dropdown and "Event Containers" selected in the category dropdown. The search bar contains the text "Search for equipment..." and a "Search" button. To the right of the search bar, there is a cart icon indicating "0 items in cart". Below the search bar, there is a message: "Our website works best with the latest versions of Google Chrome, Microsoft Edge, and Mozilla Firefox. It will not work with Microsoft Internet Explorer." Below this message, there is a note: "Additional items not displayed in the online reservation system:" followed by a list of items: "Supplemental Education Materials" and "Event Resources". At the bottom of the screenshot, there is a section titled "Showing 7 result(s)" with four thumbnail images: a long-handled tool, a green recycling bin, a blue recycling bin, and a black electronic device.
