

## City and Township Septic Contacts

All cities and townships in Dakota County administer their own septic program except for the following: shoreland and floodplain areas of unincorporated portions of the county, the city of Randolph, the city of New Trier, city of Hastings, Randolph Township and Waterford Township.

### City and Township Septic Contacts

| Municipality         | Program Contact                                                                                                                 | Septic Inspector                        | Address                                                    |
