10

CR 96 (320th St) CP 96-07
West County Line to CSAH 23, Greenvale Twp

Dakota
COUNTY

This slide features a red header with the project name and location. Below the header is an aerial photograph showing a long, straight road that bisects a rural landscape. The road is flanked by large, open fields, some of which appear to be recently plowed. In the distance, a farm with several buildings and trees is visible. The Dakota County logo is positioned in the top right corner of the slide.

11

CR 96 (320th St) CP 96-07
West County Line to CSAH 23, Greenvale Twp

Eureka Construction, Inc.
(\$4.6 million)
Completed

Dakota
COUNTY

This slide also has a red header with the same project information. The main image is a ground-level photograph of a newly constructed wooden fence. The fence is made of dark wood and surrounds a field. A brown horse is visible behind the fence. In the background, there are green trees and a clear sky. A text box in the upper right of the image area provides details about the contractor and the project's status. The Dakota County logo is in the top right corner.
