INTRODUCTION AND PROGRAM DESCRIPTION

A. Background

On April 7th, 2025, Wentworth Library in West St Paul closed for renovation. The renovation project will update building infrastructure and refresh the interior design of the building. The library is scheduled to re-open in the spring of 2026.

The design aesthetic of the renovation aims to highlight and reflect the natural spaces surrounding the library, in the city of West St. Paul, and throughout the library's service area. Greenery, waterways, and geological formations are abstractly reflected in chosen colors and patterns.

The selected location for a piece of public artwork is inside the main entry vestibule of the library. The west vestibule wall is comprised of exterior aluminum and glass windows and doors. The north wall is the main access point into the library and is comprised of interior aluminum and glass windows and doors. The south wall will have a pair of wood doors to access a meeting room. The east wall will have a mix of solid wall, one door and window into a meeting room.

The flooring in this entry vestibule will be a dark gray/black walk off carpet. Ceilings will be painted white with general overhead lighting. Most of the walls will be painted a light gray color (Sherwin Williams Mindful Gray SW7016), with the west wall painted in an accent orange color (Sherwin Williams Cavern Clay SW7701). Straight ahead from the main entry doors is an open wall space, intended for the artwork. Below this will be a backless wood bench in a natural finish that is about 18" high. There will be a tack board for community postings to the left of this wall space. To the right of this wall space there will a door and window into a meeting room. The available wall space measures 8'-0" wide by 6'-0" high for an artwork. Refer to the elevation drawing to understand this available wall space in relation to other items on the wall.

Notes: No specific lighting is intended for this artwork. It will be exposed to exterior light from the main entry doors and windows on the west side of the vestibule.

(Please see included schematics and renderings.) Note: The wood wall panel and "Dakota County Library" logo in the rendering will NOT be present but is the intended space for the artwork.

B. Project Description

The purpose of this request is to acquire an appropriate art piece for a public space. The project contains the following components:

- a) The size of the artwork should fit into the space above the wooden bench across from the glass and aluminum main entry doors. The artwork could have a depth of up to 3 inches.
- b) The desired artwork will create an inviting and welcoming space, reflective of the vitality of the diverse community in West St. Paul.

- c) The desired artwork will incorporate nature-themed tones, elements and materials. Abstract or realistic artwork is acceptable.
- d) The artwork shall be framed by the artist or shall be delivered with finished edges.

G. Examination of Proposal Documents

By submitting an RFP, the Contractor represents that they have thoroughly examined and become familiar with the work required under this RFP and that they are capable of performing quality work to achieve the objectives of this RFP.

H. Pre-Contractual Expenses

Pre-contractual expenses are expenses incurred by the Contractor in 1) preparing its quote/proposal in response to this RFP; 2) submitting that quote/proposal to the County; or 3) any other expenses incurred by the Contractor prior to the date of execution of the proposed contract. The County shall not, in any event, be liable for any pre-contractual expenses incurred by the Contractors in the preparation of their quote/proposals. Contractors shall not include any such expenses as part of their quote/proposals.

I. Contract Award

Issuance of this RFP and receipt of quotes/proposals does not commit Dakota County to award a contract. Dakota County reserves the right to postpone quote/proposal review at its own convenience, to accept or reject proposals based on evaluation of the submitted information, to accept other than the lowest cost proposal, to negotiate with other than the selected Contractor should negotiations with the selected Contractor be terminated, to negotiate with more than one Contractor simultaneously, or to cancel all or part of this RFP.

J. Public Records and Requests for Confidentiality

Pursuant to the Minnesota Government Data Practices Act, Minnesota Statutes Section 13.591, the names of all entities that submitted a timely bid/proposal to Dakota County will be public once opened. All other information remains private until Dakota County has completed negotiating a contract with the selected Responder. After a contract has been negotiated, all information received is public information except “trade secret” information as defined in Minnesota Statutes Section 13.37. All information submitted by a Responder therefore shall be treated as public information by Dakota County unless the Responder properly requests that information be treated as a confidential trade secret at the time of submitting the bid/proposal.

Any request for confidential treatment of trade secret information in a Responder’s bid/proposal must sufficiently describe the facts that support the classification of information as confidential trade secret. The request must include the name, address, and telephone number of the person authorized by the Responder to answer any inquiries by Dakota County concerning the request for confidentiality. This information shall be provided on the Trade Secret Information Form, see Attachment E. Dakota County reserves the right to make the final determination of whether data identified as confidential trade secret by a Responder falls within the trade secret exemption in the Minnesota Government Data Practices Act.

The envelope or mailing container of any documents submitted with the bid/proposal that the Responder believes contain confidential trade secret information must be clearly marked as containing confidential trade secret information. Each page upon which trade secret information appears must be marked as containing confidential trade secret information.

In addition to marking the documents as confidential, the Responder must submit one paper and one digital copy of the bid/proposal from which the confidential trade secret information has been excised. The confidential trade secret information must be excised in such a way as to allow the public to determine the general nature of the information removed while retaining as much of the document as possible.

The Responder’s failure to request confidential treatment of confidential trade secret information pursuant to this subsection will be deemed by Dakota County as a waiver by the Responder of any confidential treatment of the trade secret information in the bid/proposal.

Requests by the public for the release of information held by Dakota County are subject to the provisions of the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13. Responders are encouraged to familiarize themselves with these provisions prior to submitting a bid/proposal.

By submitting this bid/proposal, Responder agrees to indemnify and hold the County, its agents and employees, harmless from any claims or causes of action relating to the County’s withholding of data based upon reliance on the representations that the information is a trade secret as defined in Minnesota Statutes Section 13.37 and therefore is not public, including the payment of all costs and attorney fees incurred by the County in defending such an action.

Public Data Requests can be submitted on the County's website:

<https://www.co.dakota.mn.us/Government/DataPractices/>

K. Joint Offers

Where two or more Contractors desire to submit a single quote/proposal in response to this RFP, they should do so on a prime-subcontractor basis rather than as a joint venture. Dakota County intends to contract with a single firm and not with multiple firms doing business as a joint venture.

L. Dakota County Rights

County staff may investigate the qualifications of any Contractor under consideration, require confirmation of information furnished by Contractor, and require additional evidence of qualifications to perform the work described in this RFQ/RFP. County staff reserves the right to:

- Cancel the entire RFP;
- Issue a subsequent RFP;
- Remedy technical errors in the RFP process;
- Appoint evaluation committees to review proposals;
- Establish a short list of Contractors eligible for interview after evaluation of written proposals;
- Negotiate with any, all, or none of the RFP respondents; and

- 7.2. Limitations. The indemnification, defense, and hold harmless obligations of this section do not apply to the extent that liability is the direct or proximate result of the negligence or fault of the County or any third party for whom the Contractor is not legally liable. This limitation is not a waiver on the part of the County of any immunity or limits on liability under Minn. Stat. Ch. 466, or other applicable State or Federal law.

- 7.3. Notice. The parties shall promptly provide Notice in writing and in reasonable detail of:

- A. any demand, action, suit, or proceeding against the party providing Notice; or

Notice must be provided no later than 10 calendar days after the date on which the Contractor first receives the complaint, demand, action, proceeding, filing, lien, suit, or claim.

9.4. Payment of Subcontractors. This provision is required by Minn. Stat. § 471.425. Contractor shall pay the subcontractor within 10 calendar days after the date on which the Contractor receives payment from the County for undisputed Services performed by the subcontractor. Contractor agrees to pay interest of 1½ percent per month or any part of a month to the subcontractor on any undisputed amount not paid on time to the subcontractor. 11. DEFAULT

11.1. Notice of Default. Unless otherwise stated in a specific section of this Contract, no event or circumstance constitutes a default giving rise to the right to terminate for cause unless and until a Notice of Default is provided to the defaulting party, specifying the particular event or circumstance, series of events or circumstances, or failure constituting the default and cure period, if any.

11.2. Cure Period. The party providing the Notice of Default has the option, but is not required, to give the other party an opportunity to cure the specified default. If an opportunity to cure is given, it must be specifically described in the Notice of Default, including any period in which to comply.

11.3. Withholding Payment. Notwithstanding any other provision of this Contract, the County may, after giving Notice of Default, withhold, without penalty or interest, any payment which becomes due after Notice of Default is provided until the specified default is excused or cured, or the Contract is terminated.

A lack of funding occurs when funds appropriated for this Contract as of the Effective Date from a non-County source are unavailable or are not appropriated by the County Board. The County has sole discretion to determine if there is a lack of funding. The County is not obligated to pay for any Services that are performed after providing Notice of Termination for lack of funding. The County is not subject to any penalty or damages for termination due to lack of funding. No Notice of Default is required to terminate under this section.
- 12.4. Notice of Termination. The Notice of Termination must state the intent to terminate the Contract and specify the events or circumstances and relevant Contract provision warranting termination of the Contract and whether the termination is for cause.

- A. Termination of this Contract does not discharge any liability, responsibility, or right of any party that arises from the performance of, or failure to adequately, perform the provisions of this Contract prior to the effective date of termination. Termination shall not discharge any obligation which, by its nature, would survive after the date of termination, including by way of illustration only and not limitation, the requirements set forth in Attachment **SAMPLE** (Standard Assurances) and the indemnity provisions of section 7.

- B. The County shall not be liable for any Services performed after Notice of Termination, except as stated above or as authorized by the County in writing.

13. CONTRACT RIGHTS/REMEDIES

- 13.1. Rights Cumulative. All remedies under this Contract or by law are cumulative and may be exercised concurrently or separately. The exercise of any one remedy does not preclude exercise of any other remedies.
- 13.2. Waiver. Any waiver is only valid when reduced to writing, specifically identified as a waiver, and signed by the waiving party's Authorized Representative.
