## **INTRODUCTION AND PROGRAM DESCRIPTION**

### **A. General Background**

Dakota County (County) is an annual recipient of Aquatic Invasive Species (AIS) Prevention Aid from the Minnesota Department of Revenue. Aquatic Invasive Species watercraft inspection and decontamination procedures have been identified in the Dakota County AIS Plan. Dakota County has entered into a Delegation Agreement with the Minnesota Department of Natural Resources (MN DNR) for watercraft inspections. To prevent the spread of AIS within Dakota County, the County desires MN DNR-certified Level 1 watercraft inspection services on the following boat launches:

- Lake Marion boat launch at Casperson Park (Lakeville)
- Orchard Lake boat launch at Orchard Lake Park (Lakeville)
- Crystal Lake boat launch at Crystal Lake Park (Burnsville)
- Lake Byllesby boat launch at Lake Byllesby Regional Park (Randolph Township)

Additionally, a MN DNR-certified Level 2 inspector must be provided at the Lake Byllesby boat launch to operate a high-pressure, hot water Landa ECOS 7000 decontamination unit (furnished by the County) to work in tandem with the Level 1 inspector.

Dates of watercraft inspection services for the aforementioned lakes shall run from May 9, 2026 (2026 MN fishing opener) through September 7, 2026 (Labor Day). Hours of operation will be Friday, Saturday, and Sunday from 8 a.m. to 4:30 p.m., and holidays (Memorial Day, Independence Day, and Labor Day) from 8 a.m. to 4:30 p.m.

### **B. Program Description**

The inspectors will be MN DNR authorized Level 1 inspectors unless operating the decontamination unit located at Lake Byllesby, in which case the inspector operating the decontamination unit will be an authorized Level 2 inspector. The inspectors will be at least 18 years of age unless otherwise agreed. The inspector will wear official uniforms, or vests, provided by the consultant/vendor. The consultant/vendor will make sure the inspectors have digital devices suitable for downloading the MN DNR inspection data and that the MN DNR inspection software has been loaded on the device and is functioning.

### **G. Public Records and Requests for Confidentiality**

Pursuant to the Minnesota Government Data Practices Act, Minnesota Statutes Section 13.591, the names of all entities that submitted a timely proposal to Dakota County will be public once opened. All other information remains private until Dakota County has completed negotiating a contract with the selected Responder. After a contract has been negotiated, all information received is public information except "trade secret" information as defined in Minnesota Statutes Section 13.37. All information submitted by a Responder therefore shall be treated as public information by Dakota County unless the Responder properly requests that information be treated as a confidential trade secret at the time of submitting the bid/proposal.

Any request for confidential treatment of trade secret information in a Responder's proposal must sufficiently describe the facts that support the classification of information as confidential trade secret. The request must include the name, address, and telephone number of the person authorized by the Responder to answer any inquiries by Dakota County concerning the request for confidentiality. This information shall be provided on the Trade Secret Information Form, see Attachment F. Dakota County

The confidential trade secret information must be excised in such a way as to allow the public to determine the general nature of the information removed while retaining as much of the document as possible.

The Responder's failure to request confidential treatment of confidential trade secret information pursuant to this subsection will be deemed by Dakota County as a waiver by the Responder of any confidential treatment of the trade secret information in the bid/proposal.

Requests by the public for the release of information held by Dakota County are subject to the provisions of the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13. Responders are encouraged to familiarize themselves with these provisions prior to submitting a proposal.

By submitting this proposal, Responder agrees to indemnify and hold the County, its agents and employees, harmless from any claims or causes of action relating to the County's withholding of data based upon reliance on the representations that the information is a trade secret as defined in Minnesota Statutes Section 13.37 and therefore is not public, including the payment of all costs and attorney fees incurred by the County in defending such an action.

Public Data Requests can be submitted on the County's website:

<https://www.co.dakota.mn.us/Government/DataPractices/Pages/default.aspx>

#### **H. Joint Offers**

Where two or more Contractors desire to submit a single proposal in response to this RFP, they should do so on a prime-subcontractor basis rather than as a joint venture. Dakota County intends to contract with a single firm and not with multiple firms doing business as a joint venture.

#### **I. Dakota County Rights**
