The County's commitment to inclusion, diversity, and equity requires that the Contractor uphold respectful regard for cultural differences and recognition of individual protected-class status as defined under law.

The Contractor, its managers, officers and employees shall abstain from discrimination, harassment and retaliatory actions in the performance of this Contract. If the County receives a report of non-compliance with this provision, it will share the report with Contractor, conduct an appropriate investigation as warranted by the nature of alleged behavior, and notify Contractor of the findings of the investigation and any required remedial actions by the Contractor. The Contractor shall inform the County of compliance with any required remedial actions within the time period provided by the County. If the behavior persists, the County may terminate the Contract in accordance with section 18, Termination. The Contractor shall have policies that prohibit retaliation for reporting that is not in compliance with this provision.

5. INDEPENDENT CONTRACTOR STATUS

Contractor is an independent contractor. Nothing in this Contract is intended to create an employer and employee relationship between the County and the Contractor. Contractor is not entitled to receive any of the benefits received by County employees and is not eligible for workers' or unemployment compensation benefits. Contractor also acknowledges and agrees that no withholding or deduction for State or Federal income taxes, FICA, FUTA, or otherwise, will be made from the payments due Contractor, and that it is Contractor's sole obligation to comply with the applicable provisions of all State and Federal tax laws.

6. NOTICES

6.1. Each Notice must be signed by the Authorized Representative. Notices may be signed electronically. Unless otherwise stated in a specific section of this Contract, any notice or demand, (collectively, "Notice") must be in writing and provided to the Authorized Representative by at least one of the following:

7. INDEMNIFICATION

- 7.1. General. To the greatest extent allowed by law, in the performance of or failure to perform this Contract, Contractor shall indemnify, defend (in the case of third-party claims, with counsel satisfactory to County), and hold harmless the County, its officers, agents, and employees, from and against any actual or alleged loss, litigation cost (including, but not limited to, reasonable attorney fees and costs and expenses of defense), costs, settlement, judgment, demands, damage, liability, lien, debt, injury, harm, fees, fines, penalties, interest, expenditure, diminution in value, disbursement, action, claim, proceeding, or dispute of any sort (collectively "Losses"), whether or not involving a third party, which are attributable to Contractor's, or Contractor's agents', independent contractors', employees', or delegates', actual or alleged:

The Contractor's duty to defend the County is not contingent upon a finding of liability or wrongdoing on the part of the Contractor. Rather, the Contractor's duty to defend the County arises whenever an allegation is made—whether in a formal lawsuit or otherwise—that the County is liable to a third party as a result of the conduct of the Contractor. The duty to defend includes, but is not limited to, the Contractor retaining and paying directly legal counsel for the County chosen solely and exclusively by the County in the County's sole discretion.

- 7.2. Limitations. **[Only use if contract is for building or construction:** Contractor's obligation to indemnify or hold harmless the County, its officers, agents, and employees for liability or claims of liability arising out of bodily injury to persons or out of physical damage to tangible or real property shall apply to the extent such damages and injury are attributable to the negligent acts or omissions of Contractor, or Contractor's independent contractors, agents, employees, or delegatese.] This limitation is not a waiver on the part of the County of any immunity or limits on liability under Minn. Stat. Ch. 466, or other applicable State or Federal law. The provisions of the Municipal Tort Claims Act, Minnesota Statutes Chapter 466 and other applicable laws shall govern the liability of the County. This indemnity provision shall survive expiration or termination of this Contract.

- 7.3. Notice. The parties shall promptly provide Notice in writing and in reasonable detail of:

- A. any demand, action, suit, or proceeding against the party providing Notice; or
- B. any event or fact that may give rise to indemnification under section 7.1 by Contractor.

- 7.4. Control of Defense and Settlement. Contractor shall promptly provide Notice to the County of any proposed settlement, and Contractor may not, without County's prior written consent (which the County will not unreasonably withhold, condition, or delay), settle such claim or consent to entry of any third-party judgment. Nothing in this section precludes Contractor from allowing County from undertaking control of the defense.

- 7.5. The language used in this section shall be constructed and construed so as to give its natural and ordinary meaning and effect, regardless of any rule or law to the contrary.

- 7.6. **[Parks G-paragraph:** The provisions of Section G-6 of Exhibit 1 supplement, but do not displace this paragraph.]

8. INSURANCE

Contractor shall maintain policies of insurance as set forth in [Exhibit Attachment], and pay all retentions and deductibles under such policies of insurance. Contractor must provide such Notice no later than 10 calendar days after the date on which the Contractor first receives the complaint, demand, action, proceeding, filing, lien, suit, or claim.

9.4. **Payment of Subcontractors.** This provision is required by Minn. Stat. §471.425. Contractor shall pay subcontractor within 10 calendar days after the date on which the Contractor receives payment from the County for undisputed Services performed by the subcontractor. Contractor agrees to pay interest of 1½ percent per month or any part of a month to the subcontractor on any undisputed amount not paid on time to the subcontractor. The minimum monthly interest penalty payment for an unpaid balance of \$100 or more is \$10. 11.2. **Cure Period.** The party providing the Notice of Default has the option, but is not required, to give the other party an opportunity to cure the specified Default. If an opportunity to cure is given, it must be specifically described in the Notice of Default.

11.3. **Withholding Payment.** Notwithstanding any other provision of this Contract, the County may, after giving Notice of Default, withhold, without penalty or interest, any payment which becomes due after Notice of Default is provided until the specified Default is excused or cured, or the Contract is terminated.

12. TERMINATION

12.1. **Termination Without Cause.** The County may terminate this Contract without Cause by providing 30 calendar days' Notice of Termination to the Contractor.

12.2. **Termination for Cause or Material Breach.** Either party may terminate this Contract for cause by providing 7 calendar days' Notice of Termination to the other party, unless a different procedure or effective date is stated within the specific section of this Contract under which the default occurs. In addition to other specifically stated provisions of this Contract or as otherwise stated in law, events or circumstances constituting default and giving rise to the right to terminate for cause, unless waived, include but are not limited to:

The County has sole discretion to determine if there is a lack of funding. The County is not obligated to pay for any Services that are performed after providing Notice of Termination for lack of funding. The County is not subject to any penalty or damages for termination due to lack of funding. No Notice of Default is required to terminate under this section.
