No verbal modification will be binding.

D. Examination of Proposal Documents

By submitting an RFQ/RFP, the Contractor represents that he or she has thoroughly examined and become familiar with the work required under this RFQ/RFP and that he or she is capable of performing quality work to achieve the objectives of this RFQ/RFP.

E. Pre-Contractual Expenses

Pre-contractual expenses are expenses incurred by the Contractor in: 1) preparing its quote/proposal in response to this RFQ/RFP; 2) submitting that quote/proposal to the County; or 3) any other expenses incurred by the Contractor prior to the date of execution of the proposed contract. The County shall not, in any event, be liable for any pre-contractual expenses incurred by the Contractors in the preparation of their quote/proposals. Contractors shall not include any such expenses as part of their quote/proposals.

F. Contract Award

Issuance of this RFQ/RFP and receipt of quotes/proposals does not commit Dakota County to award a contract. Dakota County reserves the right to postpone quote/proposal review at its own convenience, to accept or reject proposals based on evaluation of the submitted information, to accept other than the lowest cost proposal, to negotiate with other than the selected Contractor should negotiations with the selected Contractor be terminated, to negotiate with more than one Contractor simultaneously, or to cancel all or part of this RFQ/RFP.

G. Public Records and Requests for Confidentiality

Pursuant to the Minnesota Government Data Practices Act, Minnesota Statutes Section 13.591, the names of all entities that submitted a timely bid/proposal to Dakota County will be public once opened. All other information remains private until Dakota County has completed negotiating a contract with the selected Responder. After a contract has been negotiated, all information received is public information except "trade secret" information as defined in Minnesota Statutes Section 13.37. All information submitted by a Responder therefore shall be treated as public information by Dakota County unless the Responder properly requests that information be treated as a confidential trade secret at the time of submitting the bid/proposal.

Any request for confidential treatment of trade secret information in a Responder's bid/proposal must sufficiently describe the facts that support the classification of information as confidential trade secret. The request must include the name, address, and telephone number of the person authorized by the Responder to answer any inquiries by Dakota County concerning the request for confidentiality. This information shall be provided on the Trade Secret Information Form, see Attachment E. Dakota County reserves the right to make the final determination of whether data identified as confidential trade secret by a Responder falls within the trade secret exemption in the Minnesota Government Data Practices Act.

The envelope or mailing container of any documents submitted with the bid/proposal that the Responder believes contain confidential trade secret information must be clearly marked as containing confidential trade secret information. Each page upon which trade secret information appears must be marked as containing confidential trade secret information.

In addition to marking the documents as confidential, the Responder must submit one paper and one digital copy of the bid/proposal from which the confidential trade secret information has been excised. The confidential trade secret information must be excised in such a way as to allow the public to determine the general nature of the information removed while retaining as much of the document as possible.

The Responder's failure to request confidential treatment of confidential trade secret information pursuant to this subsection will be deemed by Dakota County as a waiver by the Responder of any confidential treatment of the trade secret information in the bid/proposal.

Requests by the public for the release of information held by Dakota County are subject to the provisions of the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13. Responders are encouraged to familiarize themselves with these provisions prior to submitting a bid/proposal.

By submitting this bid/proposal, Responder agrees to indemnify and hold the County, its agents and employees, harmless from any claims or causes of action relating to the County's withholding of data based upon reliance on the representations that the information is a trade secret as defined in Minnesota Statutes Section 13.37 and therefore is not public, including the payment of all costs and attorney fees incurred by the County in defending such an action.

Public Data Requests can be submitted on the County's website:

<https://www.co.dakota.mn.us/Government/DataPractices/>

H. Joint Offers

Where two or more Contractors desire to submit a single quote/proposal in response to this RFQ/RFP, they should do so on a prime-subcontractor basis rather than as a joint venture. Dakota County intends to contract with a single firm and not with multiple firms doing business as a joint venture.

I. Dakota County Rights

SAMPLE CONTRACT BETWEEN THE COUNTY OF DAKOTA AND SAMPLE FOR SAMPLE

This Contract (Contract) is made and entered into between the County of Dakota, a political subdivision of the State of Minnesota, by and through its SAMPLE Department (County) and SAMPLE, SAMPLE, SAMPLE, MN SAMPLE (Contractor). Contractor and County are collectively referred to herein as the “parties” and individually as “party.”

WHEREAS, the County requires [equipment and] services, labor, and materials for SAMPLE, as identified in the County's Request for SAMPLE (RF SAMPLE) dated SAMPLE, attached and incorporated as **Exhibit 1**.

NOW, THEREFORE, the parties agree as follows:

1. TERM

This Contract is effective and enforceable as of the date the last party executes this Contract [or a specific/future date] (“Effective Date”) and expires on [expiration date] or the date on which all Services have been satisfactorily performed and final payment is made, whichever occurs first, unless earlier terminated by law or according to the provisions of this Contract.

2. CONTRACTOR'S OBLIGATIONS

- 2.1. General Description. Contractor shall provide the [equipment and] services, labor, and materials generally described in the RF SAMPLE and Contractor's [quote/bid/response] (collectively, “Services”).

- 2.4. Standard of Care. In the performance of the Services, Contractor shall use the care and skill a reasonable practitioner in Contractor's profession would use in the same or similar circumstances.
- 2.5. Ability to Perform. Contractor shall maintain staff, facilities, and equipment necessary to perform under this Contract. Contractor shall promptly provide Notice to the County when it knows or suspects it may be unable to perform under this Contract. The County shall determine whether

such inability requires amendment or termination of this Contract. No Notice of Default is required to terminate under this section.

- 2.6. Changes in Policy or Staff. Contractor shall provide notice of any staffing changes that may affect its performance under the Contract. The County may terminate this Contract by providing 10 calendar days' Notice if the Contractor makes or proposes significant changes in policies or staffing.
- 2.7. Successors and Assigns. In order to continue Services under the Contract and subject to the County's prior written consent, in the event of a voluntary or involuntary dissolution, merger, sale, transfer, reorganization, acquisition or winding down of the Contractor's business, all rights, duties, liabilities, obligations, and provisions of this Contract bind, benefit, and are assumed by the successors, legal representatives, trustees, or assigns of the Contractor as permitted by the County in writing.

3. PAYMENT

- 3.1. Total Cost. County will pay Contractor a total amount not to exceed **SAMPLE** Dollars and zero Cents (**\$SAMPLE**) ("Contract Maximum"). The Contract Maximum is not subject to any express or implied condition precedent. The County is not required to pay for any minimum amount of any Services.
- 3.2. Compensation. The County shall pay for Services in the fixed amounts set out in the Contractor's [quote/bid/response]. *[Use if contract will be available to others through the State of Minnesota Cooperative Purchasing Venture]* For purchases made in accordance with the pricing stated in the State of Minnesota Cooperative Purchasing Venture, or similar cooperative purchasing ventures, the pricing stated herein, based on the cooperative purchasing contract in effect on the date of execution of this Agreement, shall control during the term of this Agreement notwithstanding the expiration of, termination of or changes to the cooperating purchasing contract.
- 3.3. Time of Payment. The County shall pay Contractor within 35 calendar days after the date on which the County receives the Contractor's invoice. If the invoice is incorrect, defective, or otherwise improper, the County will notify Contractor within 10 calendar days after the date on which the County receives the Contractor's invoice. The County will pay Contractor within 35 calendar days after the date on which the County receives the corrected invoice.
 - a. [Standard G-paragraph: See Section G-11 in Exhibit 1]
 - b. [Parks G-paragraph: See Section G-8 in Exhibit 1]
- 3.4. Late Request for Payments.
 - a. The County may refuse to pay invoices received or postmarked more than 90 calendar days after the date the Contractor performed the invoiced Services.
- 3.5. Payment for Disputed or Unauthorized Claims or Services.
 - a. The County may refuse to pay any invoiced Services or claims that are not expressly authorized by this Contract.
 - b. Payment of an invoice does not prevent the County from disputing the invoiced Services. Payment of a claim or invoice is not a waiver, admission, release, ratification, satisfaction, accord, or account RFstated by the County.
 - c. The County is not responsible for any interest, fee, or penalty if it withholds payment for failure to comply with any provision of this Contract.

- d. If the County requires an audit or inspection, the County does not have to pay any invoices until the audit or inspection is complete. The County shall notify Contractor of any incorrect, defective, or otherwise improper invoice within 10 calendar days after the date on which the audit or inspection results are received by the County. The County will pay Contractor within 35 calendar days after the date on which the corrected invoice is received. For all other invoices, the County shall pay Contractor within 35 calendar days after the date on which the County receives the audit or inspection results.
- e. The County may offset any overpayment or disallowance of any invoice by reducing future payments.

3.6. Interest on Late Payments.

- a. This provision is required by Minn. Stat. § 471.425. The County shall pay interest
 - i. of 1 ½ percent per month or any part of a month to the Contractor on any undisputed amount that is not paid on time. The minimum monthly interest penalty payment for an unpaid balance of \$100 or more is \$10. For unpaid balances of less than \$100, the County shall pay the actual interest penalty due the Contractor.

4. COMPLIANCE WITH LAWS/STANDARDS

- 4.1. General. Contractor shall abide by all Federal, State or local laws, statutes, codes, ordinances, rules and regulations now in effect or hereafter adopted pertaining to this Contract or to the facilities, programs, and staff for which Contractor is responsible. This includes, but is not limited to all Standard Assurances, which are attached and incorporated as [**Exhibit 3** or **Exhibit 1; Attachment SAMPLE** [and Section G-24 in Exhibit 1] [(Parks) and Section G-18 in Exhibit 1]. Any violation of this section is a material breach of this Contract. No Notice of Default is required to terminate under this section.
- 4.2. Minnesota Law to Govern. The laws of Minnesota govern all matters related to this Contract, without giving effect to the principles of conflict of law. Venue and jurisdiction for any litigation related to this Contract must be in those courts located within Dakota County, State of Minnesota, or U.S. District Court, District of Minnesota.
- 4.3. Licenses. At its own expense, Contractor shall procure and maintain all licenses, certifications, registrations, permits, or other rights required for the provision of the Services under this Contract. Contractor shall furnish copies of the above to the County upon request. Contractor shall provide Notice to the County of any changes in the above within five (5) calendar days of such change. Any violation of this section is a material breach of this Contract. No Notice of Default is required to terminate under this section.
- 4.4. Diversity and Inclusion; Prohibited Acts. It is the policy of the County to respect culture and reduce bias in the workplace and service delivery. The County's commitment to inclusion, diversity, and equity requires that the Contractor uphold respectful regard for cultural differences and recognition of individual protected-class status as defined under law.

The Contractor, its managers, officers and employees shall abstain from discrimination, harassment and retaliatory actions in the performance of this Contract. If the County receives a report of non-compliance with this provision, it will share the report with Contractor, conduct an appropriate investigation as warranted by the nature of alleged behavior, and notify Contractor of the findings of the investigation and any required remedial actions by the Contractor. The Contractor shall inform the County of compliance with any required remedial actions within the time period provided by the County. If the behavior persists, the County may terminate the

Contract in accordance with section 18, Termination. The Contractor shall have policies that prohibit retaliation for reporting that is not in compliance with this provision.

5. INDEPENDENT CONTRACTOR STATUS

Contractor is an independent contractor. Nothing in this Contract is intended to create an employer and employee relationship between the County and the Contractor. Contractor is not entitled to receive any of the benefits received by County employees and is not eligible for workers' or unemployment compensation benefits. Contractor also acknowledges and agrees that no withholding or deduction for State or Federal income taxes, FICA, FUTA, or otherwise, will be made from the payments due Contractor, and that it is Contractor's sole obligation to comply with the applicable provisions of all State and Federal tax laws.

[Standard G-paragraph: See Section G-10 in Exhibit 1. Also contained in Exhibit 1; Attachment **SAMPLE**]

[Parks G-paragraph: The provisions of Section G-7 of Exhibit 1 supplement, but do not displace this paragraph.]

- 6.2. If the Authorized Representative rejects or otherwise refuses to accept or respond to the Notice, or if the Notice cannot be provided because of a change in contact information for which no Notice was provided, then the Notice is effective upon rejection, refusal, or inability to deliver.

7. INDEMNIFICATION

- 7.1. General. To the greatest extent allowed by law, in the performance of or failure to perform this Contract, Contractor shall indemnify, defend (in the case of third-party claims, with counsel satisfactory to County), and hold harmless the County, its officers, agents, and employees, from and against any actual or alleged loss, litigation cost (including, but not limited to, reasonable attorney fees and costs and expenses of defense), costs, settlement, judgment, demands, damage, liability, lien, debt, injury, harm, fees, fines, penalties, interest, expenditure, diminution in value, disbursement, action, claim, proceeding, or dispute of any sort (collectively "Losses"), whether or not involving a third party, which are attributable to Contractor's, or Contractor's agents', independent contractors', employees', or delegates', actual or alleged:

- A. Intentional, willful, or negligent acts or omissions; or
- B. Actions or omissions that give rise to strict liability; or
- C. Negligent or intentional misrepresentation, breach of warranty, covenant, contract, or subcontract;

whether or not well-founded in fact or in law, known or unknown, foreseen or unforeseen, fixed or contingent and howsoever originating or existing, and whether or not based upon statute, common law, or equity. This indemnity provision survives expiration or termination of this Contract.

7.2. Limitations. [Only use if contract is for building or construction: Contractor's obligation to indemnify or hold harmless the County, its officers, agents, and employees for liability or claims of liability arising out of bodily injury to persons or out of physical damage to tangible or real property shall apply to the extent such damages and injury are attributable to the negligent acts or omissions of Contractor, or Contractor's independent contractors, agents, employees, or delegates.] This limitation is not a waiver on the part of the County of any immunity or limits on liability under Minn. Stat. Ch. 466, or other applicable State or Federal law. The provisions of the Municipal Tort Claims Act, Minnesota Statutes Chapter 466 and other applicable laws shall govern the liability of the County. This indemnity provision shall survive expiration or termination of this Contract.

7.3. Notice. The parties shall promptly provide Notice in writing and in reasonable detail of:

- A. any demand, action, suit, or proceeding against the party providing Notice; or
- B. any event or fact that may give rise to indemnification under section 7.1 by Contractor.

7.4. Control of Defense and Settlement. Contractor shall promptly provide Notice to the County of any proposed settlement, and Contractor may not, without County's prior written consent (which the County will not unreasonably withhold, condition, or delay), settle such claim or consent to entry of any third-party judgment. Nothing in this section precludes Contractor from allowing County from undertaking control of the defense.

7.5. The language used in this section shall be constructed and construed so as to give its natural and ordinary meaning and effect, regardless of any rule or law to the contrary.

7.6. [Parks G-paragraph: The provisions of Section G-6 of Exhibit 1 supplement, but do not displace this paragraph.]

8. **INSURANCE**

Contractor shall maintain policies of insurance as set forth in [**Exhibit 3 or Exhibit 1; Attachment SAMPLE**] and pay all retentions and deductibles under such policies of insurance. Any violation of this section is a material breach of this Contract. This section survives expiration or termination of this Contract. No Notice of Default is required to terminate under this section.

[Standard G-paragraph: See Section G-12 in Exhibit 1]

[Parks G-paragraph: See Section G-9 of Exhibit 1. Also contained in Exhibit 1; Attachment]

9. **SUBCONTRACTING**

9.1. Subcontracting Generally Prohibited. Contractor shall not assign or delegate any interest, right, duty, or obligation related to this Contract without the County's prior written consent. The County may void any purported assignment, delegation, or subcontract in violation of this section.

9.2. Permitted Subcontracting. Contractor may subcontract with the Subcontractors identified in Contractor's [quote/bid/response] or as permitted by the County in writing, subject to the following:

- A. Contractor shall be responsible for the performance of its Subcontractors.

9.3. Notice to County. Contractor shall provide Notice to the County of any complaint, demand, action, proceeding, filing, lien, suit, or claim that Contractor has not paid or failed to timely pay any subcontractor. Contractor must provide such Notice no later than 10 calendar days after the date on which the Contractor first receives the complaint, demand, action, proceeding, filing, lien, suit, or claim.

9.4. Payment of Subcontractors. This provision is required by Minn. Stat. §471.425. Contractor shall pay subcontractor within 10 calendar days after the date on which the Contractor receives payment from the County for undisputed Services performed by the subcontractor. Contractor agrees to pay interest of 1½ percent per month or any part of a month to the subcontractor on any undisputed amount not paid on time to the subcontractor. The minimum monthly interest penalty payment for an unpaid balance of \$100 or more is \$10. For unpaid balances of less than \$100, the Contractor shall pay the actual interest penalty due the subcontractor.

9.5. A violation of any part of this section is a material breach of contract.

10. **FORCE MAJEURE**

Neither party shall be liable to the other party for any loss or damage resulting from a delay nor failure to perform due to unforeseeable acts or events outside the defaulting party's reasonable control, providing the defaulting party gives notice to the other party as soon as possible. Acts and events may include acts of God, acts of terrorism, war, fire, flood, epidemic, acts of civil or military authority, and natural disasters.

11. **DEFAULT**

11.1. Notice of Default. Unless otherwise stated in a specific section of this Contract, no event or circumstance constitutes a Default giving rise to the right to terminate for cause unless and until Notice of Default is provided to the defaulting party, specifying the particular event or circumstance, series of events or circumstances, or failure constituting the Default and cure period, if any.

11.2. Cure Period. The party providing the Notice of Default has the option, but is not required, to give the other party an opportunity to cure the specified Default. If an opportunity to cure is given, it must be specifically described in the Notice of Default.

11.3. Withholding Payment. Notwithstanding any other provision of this Contract, the County may, after giving Notice of Default, withhold, without penalty or interest, any payment which becomes due after Notice of Default is provided until the specified Default is excused or cured, or the Contract is terminated.

12. **TERMINATION**

12.1. Termination Without Cause. The County may terminate this Contract without Cause by providing 30 calendar days' Notice of Termination to the Contractor.

12.2. Termination for Cause or Material Breach. Either party may terminate this Contract for cause by providing 7 calendar days' Notice of Termination to the other party, unless a different procedure or effective date is

stated within the specific section of this Contract under which the default occurs. In addition to other specifically stated provisions of this Contract or as otherwise stated in law, events or circumstances constituting default and giving rise to the right to terminate for cause, unless waived, include but are not limited to:

1. Making material misrepresentations either in the attached exhibits or in any other material provision or condition relied upon in the making of this Contract;
 2. Failure to perform Services or provide payment within the time specified in this Contract;
 3. Failure to perform any other material provision of this Contract;
 4. Failure to diligently and timely perform Services so as to endanger performance of the provisions of this Contract;
 5. The voluntary or involuntary dissolution, merger, sale, transfer, reorganization, acquisition or winding down of the Contractor's business.
- 12.3. Termination by County – Lack of Funding. The County may immediately terminate this Contract for lack of funding. A lack of funding occurs when funds appropriated for this Contract as of the Effective Date from a non-County source are unavailable or are not appropriated by the County Board. The County has sole discretion to determine if there is a lack of funding. The County is not obligated to pay for any Services that are performed after providing Notice of Termination for lack of funding. The County is not subject to any penalty or damages for termination due to lack of funding. No Notice of Default is required to terminate under this section.
- 12.4. Notice of Termination. The Notice of Termination must state the intent to terminate the Contract and specify the events or circumstances and relevant Contract provision warranting termination of the Contract and whether the termination is for cause.

 - F. Submit an invoice for Services satisfactorily performed prior to the effective date of termination within 35 calendar days of said date.
 - G. Maintain all records relating to the performance of the Contract as may be directed by the County in the Notice of Termination or required by law or this Contract.

- 12.7. Effect of Termination for Cause or without Cause.

- A. Termination of this Contract does not discharge any liability, responsibility, or right of any party that arises from the performance of, or failure to adequately perform, the provisions of this Contract prior to the effective date of termination. Termination shall not discharge any obligation which, by its nature, would survive after the date of termination, including by way of illustration only and not limitation, the requirements set forth in [Exhibit 3 or Exhibit 1; Attachment **SAMPLE**] [(Parks) and Section G-18 in Exhibit 1](Standard Assurances) and the indemnity provisions of section 7.

- 13.2. Waiver. Any waiver is only valid when reduced to writing, specifically identified as a waiver, and signed by the waiving party’s Authorized Representative. A waiver is not an amendment to the Contract. The County’s failure to enforce any provision of this Contract does not waive the provision or the County’s right to enforce it.

Contractor shall replace any non-conforming goods and products and remedy any defects in the work and pay for any damage to other work resulting from the non-conforming work, at its own expense, and pay for any damage to other goods or products resulting from the non-conforming goods, work or products, that shall appear within a period of TWELVE MONTHS from the date of final acceptance by County of the goods, work or products.

Neither the final certificate of payment nor any provision in the contract documents nor partial or entire use of the final products and work by the County shall constitute an acceptance of work not

done in accordance with the Contract or relieve Contractor of liability in respect to any express warranties or responsibility for faulty materials or workmanship. The County will give notice of observed defects with reasonable promptness.
