	2020	2019	2018	Definition
PREA Notifications from History quesitons	116	152	140	These notifications are created during the booking process. All persons processed into the Dakota County Jail have the chance to report PREA related incidents or concerns. Not all flags require investigation or follow-up.
PREA Notifications from Inmate Request Form System	5	3	10	These notifications are created from our Inmate request kiosks. Inmates housed at Dakota County Jail have the chance to report PREA related incidents or concerns through the internal electronic messaging system.
Reported from an outside source	5	3	4	These notifications were received from a source outside the Jail. This could include other agencies, anonymous phone tips, family or firends, or crisis centers.
Reported to a Staff member	5	6	4	These notifications were reported directly to a staff member or contractor working with or for Dakota County Sheriff.
