Re: Alternate Billing for Participant Name

Consumer Directed Supports (CDS), including (CSG and CDGS), require that services provided to CDS participants be billed through one entity, a Fiscal Management Service (FMS) provider. Agencies that provide services to people using CDS programs can no longer bill MMIS directly for services rendered. This excludes state plan home care services such as: HCN, HHA, PCA, PCA Supervision, and SNV. See CBSM: Purchasing home care services under CDGS.

The above-named person is authorized for the following amount of service on the CDS plan dated: to :

Table with 4 columns: SERVICE, Units, Cost/Unit, Total

Provider Invoice must contain the dates of service, number of units of service delivered, the cost per unit, and the total amount due for the billing period. Effective (plan start date), send bills to:
