Dear \_\_\_\_\_ :

I received a referral from \_\_\_\_\_ mentioning that you are interested in the Asthma Program at Dakota County. I was not able to contact you by phone, but would like you to know more about the program.

Through the Asthma Program you will learn about your child's asthma triggers and what you can do to improve your child's health. A public health nurse will visit and work with you and your family to reduce your child's symptoms and you may be eligible to receive equipment to decrease asthma triggers.

If you are interested in scheduling a visit please call me at \_\_\_\_\_.

Sincerely,
