

Dakota County Cancellation of Direct Payment Authorization Form

Important Information: By completing this cancellation form, you are authorizing Dakota County to stop automatic withdrawals of property tax payments from your bank account. To ensure this cancellation is effective for this year's taxes, you must submit the form by May 1st for the first half, October 1st for the second half, and November 1st for agricultural taxes. After cancellation, Dakota County will no longer automatically withdraw funds from your bank account for property tax payments. You are responsible for making sure your property taxes are paid by the due dates to avoid penalties.
