

Dakota County Combination Request

The following conditions must be met to be eligible for combination:

- For all parcels under consideration, delinquent and current year taxes must be paid in full.
- The parcels must be contiguous.
- Owners must hold title to all parcels. If under a contract for deed, the contract holder and fee owner must also sign this combination request.
- Dakota County is unable to combine across different subdivision plats or section lines.
- The unique taxing areas must be the same (city/town, school).
- Our office must receive your application by December 31 of the current year to be considered for the following tax year.
- Informing lenders: keep all lenders or mortgagees aware that you are combining, especially if you escrow your taxes.
