# Your Tax Statement Explained

## Property Notice Summary

---

**Estimated Market Value:** County assessor's estimate of what the property would sell for on the open market.

**Homestead Exclusion:** A reduction homestead properties receive. The Estimated Market Value is reduced up to \$38,000. The exclusion decreases at a rate of 9% for value over \$95,000 until the it hits zero at an EMV of \$517,200.

**Taxable Market Value:** the amount of value that is used to calculate property tax. This amount could differ from the estimated market value depending on property classification.

**New Improvements:** Value associated to any new construction

**Property Classification:** A class defined in state statute that is based on the use of a property

**Proposed Tax:** The estimate of taxes due that was sent out in November of last year. This notice did not include special assessments. It may not match the amount on the tax statement.

**Property Tax Statement:** The tax amount due for this year's property taxes

## Property Information

---

**Property ID:** A unique number assigned to each property within the county.

**Taxpayer(s):** Name and mailing address. This is where all 3 property notices will be mailed.

**Property Description:** The legal description of the property that is legally binding.

**Property Address:** Location of real estate property by law.

**Property Owner:** name and address of the owner of the property

## Tax Breakdown

---

**Line 1-2 (Property Refund):** Refunds from the State of Minnesota based on your property taxes. Refer to the back of the statement for more information.

**Line 3 – 5 (Credits):** Property classified agricultural, could qualify for various credits. The house, garage and surrounding one acre don't qualify. Certain properties crossed by high voltage power lines may be eligible for a credit.

**Line 6 (Dakota County Tax):** Collected to provide and manage county government services. These services include public health, roads and highway, social services, libraries, corrections, sheriff.

**Line 7 (City or Township Tax):** Collected to pay for local services. These services may include police and fire protection, parks, and roads and bridges. Voter-approved referendums are not included. See Line 11.

**Line 8 (State General Tax):** Only collected on commercial, industrial, and seasonal properties.

**Line 9 (School District):** Collected to support K-12 and community education. The tax amount for the school district is broken down between voter approved and other. Voter approved taxes are referendum that were passed during general elections. Any levy or debt obligation not approved by voters is under Other.

**Line 10a (Metro Special Taxing Districts):** Taxes used to manage transit services, regional parks, affordable housing and mosquito control.

**Line 10b (Other Special Taxing Districts):** Only collected if you are within the special taxing district. This could include the community development agency, economic, housing, redevelopment, and watershed districts

**Line 10c (Tax Increment Tax):** A financing tool used by districts to promote growth that might not otherwise occur. Taxes generated by the new development are used to pay for qualifying costs. This is not an additional tax. Instead, taxes are redirected from the county, city and school.

**Line 10d (Fiscal Disparity Tax):** A tax base sharing program in the metropolitan area. Forty percent of the growth in commercial and industrial property forms a pool. This gets shared with all taxing districts within the metro area.

**Line 11 (Non-School Voter Levies):** All voter approved levies except those for schools.

**Line 12 (Total Tax Before Special Assessments):** The combined property tax amount for all districts, before any special assessments. This amount is what was estimated in the Proposed Notice mailed in November of last year.

**Line 13 (Special Assessment):** An improvement that directly benefits the property. The amount is not based on a property's market value.

**Line 14 (Total Tax):** The total amount payable for the year

## **Tax Stubs**

---

**Stub:** A detachable slip that can be mailed in with a payment.

**Pay Code:** Identifies properties that may have taxes paid by escrow or automatic payment.

**Hmstd:** Indicates if a property is classified as a homestead
