Bully Survey

- Children in grades 2<sup>nd</sup> through 5<sup>th</sup> are given the survey
- Tally the surveys for each individual class
- Children are placed on a list if their name appears on the survey 3 or more times
- The staff then discusses the list and puts children into lunch bunches
- The groups meet weekly and have conversations or activities geared toward bullying behaviors, friendship skills or both
- Some children may meet with a support person (social worker, psychologist, family liaison) for individual meetings, or be placed in a more structured group
