

CONSTRUCTION UPDATE

County Road 80, Eureka Township

May 10, 2017

Thank you for your patience while we make important improvements to the County Road 80 corridor.

WHAT'S BEING DONE?

Improvements to County Road 80 from County Road 9 (Dodd Boulevard) to County Road 23 (Cedar Avenue) in Eureka Township will occur this construction season.

WHEN WILL WORK TAKE PLACE?

Work, such as cutting the existing pavement, will begin the week of May 15 (weather dependent). Construction is anticipated to be complete in three weeks.

WHAT SHOULD I EXPECT?

Work will begin with pavement removal and paving. Striping will follow.

The road will remain open to traffic and you will have access to your property throughout construction. Temporary lane shifts and/or temporary lane closures with a flagging operation may be necessary to complete some of the work. Please use caution when driving through the work zone; reduced speeds will be posted.
