

Project Overview

Dakota County, in cooperation with the City of Lakeville is reconstructing County State Aid Highway (CSAH) 70 from Kensington Boulevard/Kenrick Avenue to Cedar Avenue in the City of Lakeville. The purpose of the project is to improve safety and operations, and accommodate increasing traffic volumes (including truck traffic).

Work on the project is anticipated to include:

- Expanding the highway from a 3-lane to a 4-lane divided roadway
- Constructing turn lanes at major intersections along the corridor
- Improving drainage along the corridor
- Managing access along the corridor
- Reconstructing signals to accommodate the additional lanes

Project Benefits

The expansion of CSAH 70 will provide several benefits to the corridor and the area. The proposed project will:

- Add capacity to a major truck and business area that continues to grow
- Reduce delays along the corridor
- Address various drainage issues that exist

Project Funding

- Based on Dakota County 2018-2022 Capital Improvements Program
- Estimated Costs
 - Design = \$1,750,000
 - Right of Way = \$2,250,000
 - Construction = \$17,500,000
 - Total Project Cost = \$21,500,000

Project Schedule

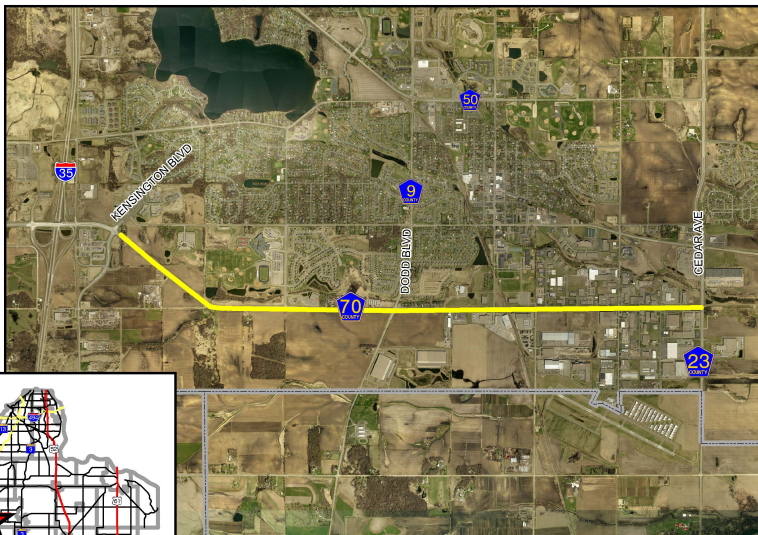

- Design – 2018-2019
- Right of Way acquisition – 2019-2020
- Construction – 2020-2021
