You Are Invited!

Dakota County invites you to attend the first public open house for the County Road 88 reconstruction project. We hope you can join us!

Public Open House
Thursday, January 11, 2018
5:30 PM - 7:00 PM
at the
Randolph Public Schools (South Gym)
29110 Davisson Ave, Randolph, MN 55065

There is no formal presentation, so you may come at any time during the open house that is convenient for you. The purpose of the meeting will be to:

- Share preliminary concepts for roadway reconstruction options
- Collect feedback from the community
- Answer your questions

Project Description

Dakota County is proposing to reconstruct County Road 88 in Randolph Township, from approximately Highway 56 to Highway 52. The purpose of the project is to improve roadway safety, traffic operations, and the aging pavement and roadbed below.

In advance of the reconstruction project, the segment of County Road 88 between Highway 56 and Harry Avenue is being studied in greater detail given additional concerns associated with the Highway 56 intersection, roadway curves, and the railroad crossing. This study includes completing an alternatives analysis and preliminary design (see study area map).

The anticipated project schedule is as follows:

- Alternatives Analysis - Late 2017 to Early 2018
- Preliminary Design - Early to Mid 2018
- Final Design - 2018 to 2019
- Construction - 2019 to 2020
