# MISSISSIPPI RIVER REGIONAL TRAIL - EAST

## PROJECT INFORMATION:

The Mississippi River Trail (MRT) is a nationally recognized trail project that extends from Itasca State Park in Minnesota to the Gulf of Mexico in Louisiana. The MRT extends 26 miles within Dakota County from Hastings to South St. Paul and is locally referred to as the Mississippi River Regional Trail (MRRT). The majority of the MRT within Dakota County has been completed with the exception of the MRRT – Rosemount connection and the Saint Paul connection.

The MRRT – Rosemount connection extends from 117th Street (City of Inver Grove Heights/ City of Rosemount border) to Spring Lake Park Reserve. The MRRT – Rosemount segment

has been split into 2 segments: MRRT West and MRRT East. MRRT West extends from 117th Street to its connection with MRRT East along Pine Bend Trail. MRRT East extends from its connection with MRRT West to Spring Lake Park Reserve.

The MRRT East Project will include:

- 1.7 miles of 10 foot wide paved multi-use trail
- Construction of two underpass structures within Union Pacific Railroad property
- Connection to the MRRT system within Dakota County
- Expected Construction in 2018, with possible tree clearing and utility relocation in 2017
