Thompson Avenue & Oakdale Avenue Trail and Sidewalk Project
City Project 21-6 and 23-2

PROJECT PURPOSE
To provide pedestrian and bike connectivity along Thompson Avenue and Oakdale Avenue consistent with City of West St. Paul and Dakota County planning

PROJECT GOALS
1. Increase the safety, availability, and attractiveness of bicycling and walking to encourage healthy communities and active car-free lifestyles.
2. Invest in a multimodal transportation system to attract and retain businesses and residents.
3. Provide improved multimodal travel options for people of all ages and abilities to connect to jobs, businesses, and further public transit options.

PROJECT HISTORY
• City of West St. Paul and Dakota County were awarded a 1.7 million Transportation Alternative Program (TAP) grant from the Metropolitan Council to construct the Oakdale Avenue trail and sidewalk
• Thompson Avenue trail and sidewalk funded by Dakota County as a part of a turnback of the roadway to the City of West St. Paul
• Project is programmed for 2023 construction
