Specific comments received included:

- ▶ Suggestion for an improved pedestrian crossing at Spruce Street
- ▶ Concern about lack of safe crossings generally
- ▶ Concern over north/south delay at County Road 50 traffic signal
- ▶ Suggestion for turn lanes at Demark Ave & Ash St
- ▶ Suggestion for right turn lane at Westdel Rd
- ▶ Concerns about people speeding, taking turns too fast, not stopping at stop signs

PROJECT STATUS ▼

The project team heard resident's input and is developing alternatives for roadway improvements with that input in mind.

Over the last several months since Open House #1, we have been:

- Gathering additional field data
- Evaluating safety and mobility
- Evaluating pedestrian and bicycle accommodations
- Evaluating corridor drainage needs
- Meeting with project stakeholders
