### SCHOOL LINKED & CO-LOCATED MENTAL HEALTH SERVICES

Many schools in Dakota County schools' partner with mental health agencies to provide clinical mental health services to eligible students at their school. Contact your child's social worker or school counselor to determine if your child is eligible for these services. Insurance and medical assistance are the primary payment source for these services. A sliding fee may be available to support uninsured or underinsured students.

### Adult Rehabilitative Mental Health Services-ARHMS

**Medical Assistance includes** coverage for adult rehabilitative mental health services (ARMHS) and mental health crisis response services. Note these services are not limited to people with serious and persistent mental illness (SPMI). The adult rehabilitative mental health services (ARMHS) may only be provided by an agency that has been certified using the provider certification process developed by the Department of Human Services in consultation with counties and others.
