

## *Just Because....*

Just because I'm Pakistani  
Doesn't mean I would work at Holiday  
Doesn't mean I have an accent  
And doesn't mean I don't play soccer,  
Just because I'm Pakistani  
Doesn't mean I am poor  
Doesn't mean I would rob you  
Doesn't mean I'm a terrorist,  
Just because I'm Pakistani  
Doesn't mean I would beg for money  
Doesn't mean I'm a illegal immigrant  
And doesn't mean I can't speak English,  
Just because I'm Pakistani  
Doesn't mean I live on the street  
Doesn't mean I can't live in America  
Doesn't mean I have a different skin color,  
Just because I'm Pakistani  
Why do people care?  
What is language?  
What is the difference?  
Do you know?
