

Summer Dogs!

Dogs are fun oh yes they are,
Oh you should really get one now.
Go camping with them too,
Some love them and some don't.
Like fields, nature and fun
I also like swimming with you.
Kind to you and your friends,
Eat lots of food.
Some are tall and some are short,
Under the blanket by the fire.
Mornings are lazy.
Make friends,
Energetic dogs are crazy,
Run and love you!
