Hello Friends

Hello friends, hello friends

Hello friends, it's time to say hello

Wiggle Your Lah-De-Dah (Ralph's World)

Wiggle your fingers, wiggle your fingers, hey lah-de-dah

Who is wiggling, I am wiggling, hey lah-de-dah

Move your hands, move your hands, hey lah-de-dah

Who is moving, you are moving, hey lah-de-dah
Up and down and up and down
Walk and wave and hey lah-de-dah, hey lah-de-dah
Bend your elbows, bend your elbows, hey lah-de-dah
Who is bending, I am bending, hey lah-de-dah
Straighten your arms, straighten your arms, hey lah-de-dah
Who is moving, you are moving, hey lah-de-dah
Up and down and up and down, walk and wave and
Hey lah-de-dah, hey lah-de-dah, hey-lah-de-dah
Wiggle your fingers, wiggle your fingers, move your hands, move your hands
Bend your elbows, bend your elbows, straighten your arms, straighten your arms
Wiggle your fingers, wiggle your fingers, hey lah-de-dah
Who is wiggling, we are wiggling, hey lah-de-dah
Up and down and up and down, run and jump and
Hey lah-de-dah, hey lah-de-dah, hey lah-de-dah

Activity:

Clap High, Clap Low

Clap high, clap low
Then we clap clap clap along the rainbow
Clap round, clap flat
Clap this, clap that
From the bottom to the top
Clap 1, 2, 3, and STOP!

Tickles

Tickle the stars
Then tickle your toes
Now turn all around
And tickle your nose
Reach way down low
And way up high
Storytime is over
So wave goodbye
