

2020 Landfill Host Community
Environmental Legacy Fund Grant
Pilot Program

Application

Dakota County Landfill Host Community

Environmental Legacy Fund Grant Pilot Program

Dakota County Physical Development Division

14955 Galaxie Avenue

Apple Valley, Minnesota 55413

DEPARTMENT CONTACTS:

Erin Stwora, Deputy Director, Physical Development Division, Erin.Stwora@co.dakota.mn.us

Kelly Dumais, Project Coordinator, Physical Development Division, Kelly.Dumais@co.dakota.mn.us

INFORMATION AND ELLIGIBILITY

Dakota County collects Landfill Host Fees to mitigate the negative effects of landfills. The Environmental Legacy Fund supports programs and projects for the purposes of “protection, preservation, or enhancement of the environment.” In pursuit of this mission, the County is initiating a pilot grant program to distribute up to three million dollars of funding to the following communities:

- Burnsville
- Coates
- Inver Grove Heights
- Rosemount
- South St. Paul

Applicants must be representatives from the identified communities. Individuals and non-governmental organizations are not eligible to receive these funds. Applicant cities must demonstrate how their proposed project(s) meet the purposes for the use of the Environmental Legacy Fund, and meet County funding requirements (legal, policy, etc.) Eligible applications will demonstrate:

- Clear alignment with targeted themes.
- Clear articulation of project plan and schedule, budget, goals, metrics and data collection process.
- Clear potential to reduce the negative impacts of hosting a landfill.
- Sufficient, credible, and current insurance, licensing and other documentation, as appropriate.

APPLICATION PROCESS AND TIMELINE

Up to \$3 million is available. Grant monies may be spent over two (2) years.

Eligible ELF Expenditure Categories

1. Economic development activities including land acquisition, demolition and relocation through an agreement with the Dakota County Community Development Agency (CDA).
2. Brownfield redevelopment activities, including land acquisition and remediation for park and greenway improvements connecting county/regional parks and greenways.
3. Natural resource conservation and restoration projects.
4. Activities supporting the Dakota County Solid Waste Master Plan.

Eligible projects must fall under one of these targeted themes and project types.

APPLICATION SUBMISSION

Submissions should include the outlined application materials and any additional materials outlining the proposed use of grant funds.

Complete applications, including all required documentation, should be submitted to Erin Stwora, Erin.Stwora@co.dakota.mn.us with the subject line "DC Landfill Host Community ELF Grant Program."

All applications will receive an electronic confirmation of receipt from Dakota County Staff.

Community Hosts
Landfill

- Odor
- Noise
- Air Pollutants
- Unsightliness
- Heavy truck traffic
- Litter

- Suppressed property values
- Costlier road repairs
- Increased obstacles to development and redevelopment
- Lower tax base/higher rates for host school district and city
