Waxaan warqad kugu soo qoraynaa si aan kugu sheegno cabashadeena ku saabsan imaanshaha _____. Taariikhdan ka bilaab, isaga/iyada wuxuu yeeshay _____ maqnaansho. Maqnaansho maalin kasta waxay sababi kartaa in ardaygu uu seego qaybo muhiim ah oo waxbarashadooda ah taasoo saameyn xun ku yeelan kara waxqabadka dugsiga.

Halkan waxaa ku yaal talooyin ku saabsan soo xaadiritaanka wanaagsan ee dugsiga

- Hubi inaad soo wacdid khadka soo xaadirida haddii ilmahaagu uu maqnaanayo
- La shaqee kalkaalisaadeeni dugsiga, magaca (_____), marka ardaygaagu qabo arrimaha caafimaadka
- Diyaari fasaxyada iyo balamada marka dugsiga uusan jirrin
- Isla shaqeeya macalinka ardaygaaga
- Shaqaalaha bulshada/taageerada qoyska ee dugsiga , magaca (_____), ayaa laga yaabaa inuu ka caawijo xalinta dhibaatooyinka, maclumaadka iyo mararka qaarkood tixraac ku saabsan khayraadka bulshada

Marka ardaygu uu maqan yahay ama soo daaho sabab kasta hanoqotee, waalidka/ilaaliyaha waxaa laga filayaa inuu dugsiga ku wargeliyo saacadaha _____ saacadood. Khadkeena soo xaadirida waa: _____.

Fadlan la xiriir maamulaha haddii aanu ku siin karno gargaar dheeraad ah oo ku saabsan arrimahan ama inaad nala socodsiiso xaaladaha ku saabsan maqnaanshaha. Marka ilmuu haysto todobo ama in ka badan maqnaansho aan raali laga ahayn dugsigu waa inuu ugu soo warbixiyaa sida dayacaadda waxbarashada degmada Dakota Adeegyada Bulshada. Waxan jeelaanlahayn in aan aragno soo xaadirida cunuggagaaga ka hor inta aan loo baahnin faragelinta degmada.

Waad ku mahadsantahay iskaashigaada.

Si daacadnimo leh,

*Imuhu waa "waxbarasho ahaan waa la dayacay" mar haddii ilmuu ka maqan yahay dugsiga sababo laxariira hilqaad la'aanta waalidku inuu ku dhaqmo shuruucda waxbarashada khasabka ah

Dear: _____ :

We are writing to express our concern regarding the attendance for _____. As of this date, he/she has ____ absences. Daily absences cause students to miss important pieces of their education that can have a negative effect on school performance.

Here are some suggestions for better school attendance:

- Make sure to call the attendance line for your student's absences
- Work with our school nurse, name (____), when your student has health issues
- Arrange vacations and appointments when school is not in session
- Work closely with your student's teachers
- Our school *social worker/family support*, name (____), may assist with problem-solving, information and sometimes refer to helpful community resources

When a student is absent or late for any reason, the parent/guardian is expected to notify the school within ____ hours. Our attendance line is: _____.

Please contact the principal if we can provide you with further assistance regarding this concern or to make us aware of circumstances surrounding the absences. When a child has seven or more unexcused absences the school must report it as educational neglect to Dakota County Social Services. We would like to see your child's attendance improve before county intervention is needed.

Thank you for your cooperation.

Sincerely,
