# Dakota County Minnesota

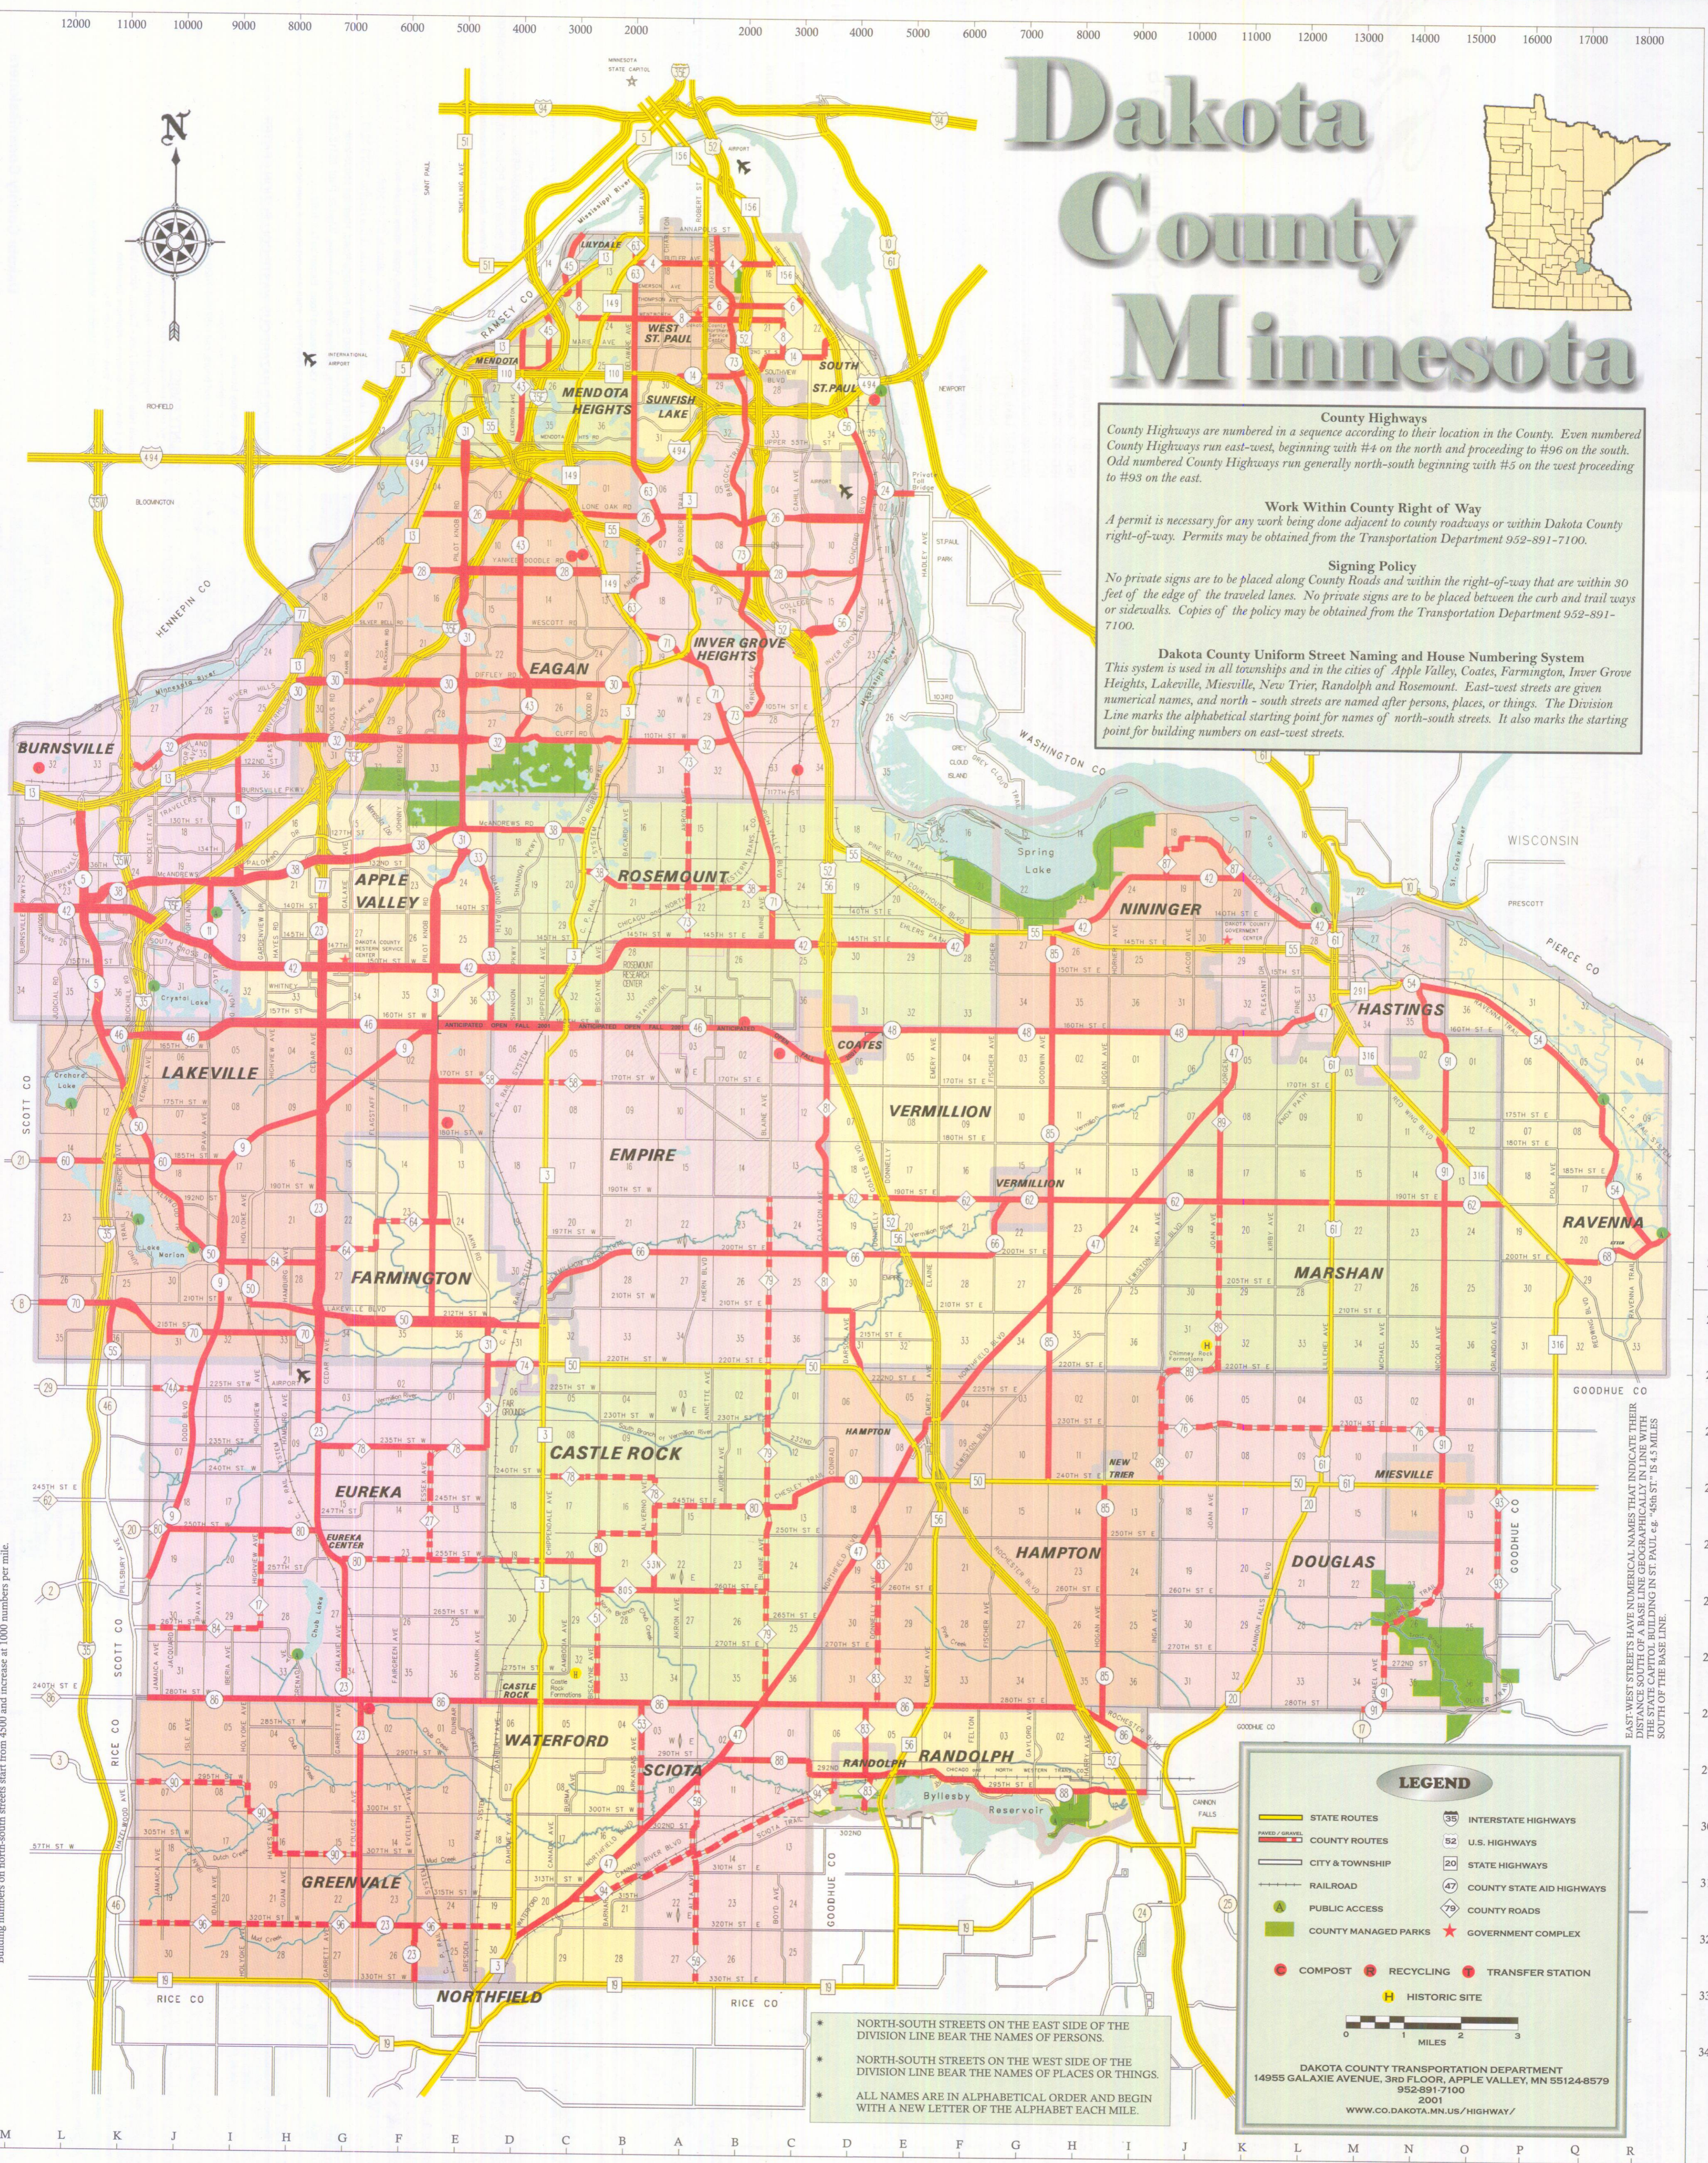

**County Highways**  
County Highways are numbered in a sequence according to their location in the County. Even numbered County Highways run east-west, beginning with #4 on the north and proceeding to #96 on the south. Odd numbered County Highways run generally north-south beginning with #5 on the west proceeding to #93 on the east.

**Work Within County Right of Way**  
A permit is necessary for any work being done adjacent to county roadways or within Dakota County right-of-way. Permits may be obtained from the Transportation Department 952-891-7100.

**Signing Policy**  
No private signs are to be placed along County Roads and within the right-of-way that are within 30 feet of the edge of the traveled lanes. No private signs are to be placed between the curb and trail ways or sidewalks. Copies of the policy may be obtained from the Transportation Department 952-891-7100.

**Dakota County Uniform Street Naming and House Numbering System**  
This system is used in all townships and in the cities of Apple Valley, Coates, Farmington, Inver Grove Heights, Lakeville, Miesville, New Trier, Randolph and Rosemount. East-west streets are given numerical names, and north-south streets are named after persons, places, or things. The Division Line marks the alphabetical starting point for names of north-south streets. It also marks the starting point for building numbers on east-west streets.

Building numbers on north-south streets start from 4500 and increase at 1000 numbers per mile.

EAST-WEST STREETS HAVE NUMERICAL NAMES THAT INDICATE THEIR DISTANCE SOUTH OF A BASE LINE GEOGRAPHICALLY IN LINE WITH THE DIVISION LINE IN ST. PAUL. E.g. "45th ST." IS 45 MILES SOUTH OF THE BASE LINE.

\* NORTH-SOUTH STREETS ON THE EAST SIDE OF THE DIVISION LINE BEAR THE NAMES OF PERSONS.  
\* NORTH-SOUTH STREETS ON THE WEST SIDE OF THE DIVISION LINE BEAR THE NAMES OF PLACES OR THINGS.  
\* ALL NAMES ARE IN ALPHABETICAL ORDER AND BEGIN WITH A NEW LETTER OF THE ALPHABET EACH MILE.
