

County Highway 50 Kenwood Trail Corridor Study

Access and Traffic Control Plan

Legend

Traffic Control

- Traffic Signal
- Roundabout
- Thru-STOP
- Right-in/Out
- 3/4 Access
- Future Roadway Connections

The access plan as shown is intended to provide a blueprint as the County and City consider making roadway improvements in the next 5 years. In the long term, further changes may be required as noted below.

* If/When safety or operational issues occur, restriction of left turns onto CH 50 should be considered.

** If/When traffic conditions dictate, signalization would be considered.
